

Dock 'n Lock Professional Cleaning System

Work smarter with Triple S Dock 'n Lock Systems. Components interlock so you get more done in less time! Systems for Institutional, Industrial, Office, Healthcare and Educational applications, task specific and customizable.

- Flexible cart configurations, change as needed
- No lifting mop buckets, locks in at floor level.
- Separate tools easily, reduces footprint
- Work easier, faster and smarter!

1

DOCK

Choose Dock 'n Lock Janitor Cart or Dolly.
